This Microsoft Cloud Agreement is between the entity you represent, or, if you do not designate an entity in connection with a Subscription purchase or renewal, you individually (“you” or “your”), and Microsoft Regional Sales Corporation (“Microsoft”, “we”, “us”, or “our”). It consists of the terms and conditions below, as well as the Online Services Terms, and the SLA (together, the “agreement”). It is effective on the date that your Reseller provisions your Subscription. Key terms are defined in Section 11.

## 1. *Use of Online Services.*

- a. **Right to use.** We grant you the right to access and use the Online Services and to install and use the Software included with your Subscription, as further described in this agreement. We reserve all other rights.
- b. **Choosing a Reseller.** You must choose and maintain a Reseller authorized within your region. If Microsoft or Reseller chooses to discontinue doing business with each other, you must choose a replacement Reseller or purchase a Subscription directly from Microsoft, which may require you to accept different terms.
- c. **Reseller Administrator Access and Customer Data.** You acknowledge and agree that (i) once you have chosen a Reseller, that Reseller will be the primary administrator of the Online Services for the Term and will have administrative privileges and access to Customer Data, however, you may request additional administrator privileges from your Reseller; (ii) Reseller’s privacy practices with respect to Customer Data or any services provided by Reseller may differ from Microsoft’s privacy practices; and (iii) Reseller may collect, use, transfer, disclose, and otherwise process Customer Data, including personal data. You consent to Microsoft providing Reseller with Customer Data and information that you provide to Microsoft for purposes of ordering, provisioning and administering the Online Services.
- d. **Acceptable use.** You may use the Product only in accordance with this agreement. You may not reverse engineer, decompile, disassemble, or work around technical limitations in the Product, except to the extent applicable law permits it despite these limitations. You may not disable, tamper with, or otherwise attempt to circumvent any billing mechanism that meters your use of the Online Services. You may not rent, lease, lend, resell, transfer, or host the Product, or any portion thereof, to or for third parties except as expressly permitted in the Online Services Terms.
- e. **End Users.** You control access by End Users, and you are responsible for their use of the Product in accordance with this agreement. For example, you will ensure End Users comply with the Acceptable Use Policy.
- f. **Customer Data.** You are solely responsible for the content of all Customer Data. You will secure and maintain all rights in Customer Data necessary for us to provide the Online Services to you without violating the rights of any third party or otherwise obligating Microsoft to you or to any third party. Microsoft does not and will not assume any obligations with respect to Customer Data or to your use of the Product other than as expressly set forth in this agreement or as required by applicable law.
- g. **Responsibility for your accounts.** You are responsible for maintaining the confidentiality of any non-public authentication credentials associated with your use of the Online Services. You must promptly notify customer support about any possible misuse of your accounts or authentication credentials or any security incident related to the Online Services.

Previews may be subject to reduced or different security, compliance, and privacy commitments, as further explained in the Online Services Terms and any additional notices provided with the Preview. We may change or discontinue Previews at any time without notice. We also may choose not to release a Preview into “General Availability.”

## 2. **Subscriptions, ordering.**

a. **Available Subscription offers.** The Subscription offers available to you will be established by your Reseller and generally can be categorized as one or a combination of the following:

b. **Ordering.**

(i) Orders must be placed through your designated Reseller. You may place orders for your Affiliates under this agreement and grant your Affiliates administrative rights to manage the Subscription, but, Affiliates may not place orders under this agreement. You also may assign the rights granted under Section 1.a to a third party for use by that third party in your internal business. If you grant any rights to Affiliates or third parties with respect to Software or your Subscription, such Affiliates or third parties will be bound by this agreement and you agree to be jointly and severally liable for any actions of such Affiliates or third parties related to their use of the Products.

(ii) Your Reseller may permit you to modify the quantity of Online Services ordered during the Term of a Subscription. Additional quantities of Online Services added to a Subscription will expire at the end of that Subscription.

### **3. Term, termination, and suspension.**

- a. Agreement term and termination.** This agreement will remain in effect until the expiration or termination of your Subscription, whichever is earliest. You may terminate this agreement at any time by contacting your Reseller. The expiration or termination of this agreement will only terminate your right to place new orders for additional Products under this agreement.
- b. Cancellation or transfer of Subscription.** Your Reseller will establish the terms and conditions, if any, upon which you may cancel or transfer a Subscription.
- c. Suspension.** We may suspend your use of the Online Services if: (1) it is reasonably needed to prevent unauthorized access to Customer Data; (2) you fail to respond to a claim of alleged infringement under Section 6 within a reasonable time; or (3) you do not abide by the Acceptable Use Policy or you violate other terms of this agreement. If one or more of these conditions occurs, then:
  - (i)** For Limited Offerings, we may suspend your use of the Online Services or terminate your Subscription and your account immediately without notice.
  - (ii)** For all other Subscriptions, a suspension will apply to the minimum necessary part of the Online Services and will be in effect only while the condition or need exists. We will give notice to the named administrators for your Subscription, which may be you and/or your Reseller, before we suspend, except where we reasonably believe we need to suspend immediately. If you do not fully address the reasons for the suspension within 60 days after we suspend, we may terminate your Subscription and delete your Customer Data without any retention period. We may also terminate your Subscription if your use of the Online Services is suspended more than twice in any 12-month period.
- d.** To the extent necessary to implement the termination provisions of this agreement, both parties waive any rights they have, or obligation that they may have, now or in the future under any applicable law or regulation, to request or obtain the approval, order, decision or judgment of any court to terminate this agreement.

You may choose to provide personal information to Microsoft on behalf of third parties (including your contacts, resellers, distributors, administrators, and employees) as part of this agreement. You will obtain all required consents from third parties under applicable privacy and data protection laws before providing personal information to Microsoft.
- b.** Additional privacy and security details are in the Online Services Terms. The commitments made in the Online Services Terms only apply to the Online Services purchased under this agreement and not to any services or products provided by your Reseller.
- c.** You consent and authorize Microsoft (and its service providers and subcontractors), at Reseller's direction or as required by law, to access and disclose to law enforcement or other government authorities data from, about or related to you, including the content of communications (or to provide law enforcement or other government entities access to such data).
- d.** As and to the extent required by law, you shall notify the individual users of the Online Services that their data may be processed for the purpose of disclosing it to law enforcement or other governmental authorities as directed by Reseller or as required by law, and you shall obtain the users' consent to the same.
